Leaders, Managers and Supporters in Scouting must hold a current first aid qualification at the time of gaining their Wood Badge and at the appointment renewal.

However, they are encouraged to keep their qualification up to date at all times.

The minimum standard for this qualification is First Response, but higher levels of qualification are needed if delivering first aid training or leading certain kinds of adventurous activities.

This provision will ensure a minimum standard of first aid knowledge and training across the Movement.

Other first aid training from external providers may be accepted.

All groups undertaking adventurous activities in Terrain Two must have immediate access to someone holding a relevant and current Full First Aid Certificate

Ongoing Learning – Renewable at least every 3yrs and must be up to date at any review date

 First Aid - Module 10B Led by Local 1 st Response Trainers on behalf of West Sussex Scouts Note: This is ONLY for those who have completed 10A (First Aid theory). The aim is to assess the 3 practical elements

Sun 16-Oct-22	TBA	

This workshop organised by West Sussex Scouts looks at:

- How it is important to know the young people you are working with, what influences them.
- Ways of promoting positive behaviour along with techniques for effective communication.

As special needs is becoming an increasing challenge for some sections we look at

- How Scouting can be inclusive and
- Ways to get support and advice along with updates on recent guidelines.

Based on Modules 14/15 the session is suitable for:

- All leaders who will benefit from exploring the issues of challenging behaviour further.
- Any Wood badge holder who can use it as ongoing learning and any leader needing a refresher.
- It is open to all adult roles both Section and Executive and can be attended by anyone from any District.
